

# BEEP BOP BOOP FEST

## Beep-Bop-Boop Fest Activities & Experiences

### EVENT OVERVIEW

Beep-Bop-Boop Fest is a 2-day kids & family festival designed around learning through play.

The festival brings together STEM, LEGO, robotics, science experiments, creative building, and interactive performances — all in one thoughtfully curated, screen-free environment.

This is not a workshop or a class. It's a hands-on experience where kids explore, build, experiment, and discover at their own pace.

### EVENT DETAILS (Quick Info Section)

- Dates: 31st January & 1st February, 2026
- Venue: Nexus Select Citywalk, Saket, New Delhi
- Timings: 11:00 AM – 10:00 PM
- Age Group: Kids aged 4–16 years
- Format: Day-long, open exploration festival

Parents are welcome to accompany and participate with their children.

### FREE ACCESS ZONES

**(Included with every entry ticket)**

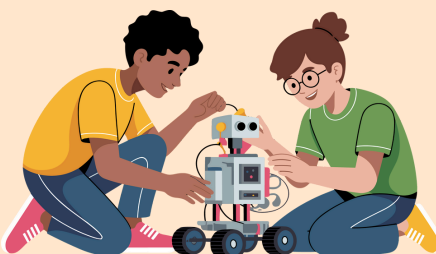

These zones are designed for open participation and continuous engagement.

#### Magnetic Blocks Construction Zone

Explore shapes, balance, and structural thinking through hands-on building.

#### Kinetic Sand Treasure Hunt

Sensory play with hidden discoveries that encourage curiosity and exploration.

# BEEP BOP BOOP FEST

## 3D Doodling Studio

Create and take home 3D pen creations while exploring design and creativity.

---

## Fun with Circuits / Paper Circuits

Build simple working LED circuits using paper, batteries, and creativity.

---

## Fun Science Experiments Station

Safe, high-impact experiments designed to introduce basic scientific concepts through play, including:

- Lava lamps
- Fizzy potions
- Balloon challenge (poke without popping)
- Dry ice experiments
- Slime making
- Bubble play
- 

These zones are self-paced, facilitator-guided, and suitable across age groups.

---

## SPECIAL LEGO ZONE

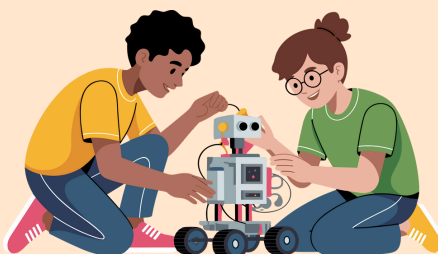

### (Recommended add-ons for deeper engagement)

These guided experiences offer structured learning, mentorship, and advanced interaction.

## LEGO Robotics – Guided Builds

Step-by-step robot building with trained mentors, introducing mechanics and automation.

- **LEGO Free Builds**  
A guided LEGO building experience where kids assemble pre-designed models step by step.
- **SUMO Bots Arena**  
Program or control mini robots to compete in a safe, supervised arena.

- **Robo Football Challenge**  
Team-based robotic football that encourages strategy and collaboration.
- **RC Cars Zone**  
Control, race, and navigate RC cars through interactive challenges.

**Note:** These experiences are limited-slot, time-based, and designed for focused learning.

---

## INTERACTIVE PERFORMANCES & STAGE ACTS

Beyond zones, Beep-Bop-Boop Fest features live, interactive performances that engage kids emotionally, creatively, and socially.

### Illusionism

A high-energy live act blending technology with illusion — visually engaging and audience-interactive.

---

### Kids Fashion Show

A fun, non-competitive showcase where kids express creativity through imaginative, tech-inspired outfits.

---

### Puppet Show

A live, engaging puppet performance designed to entertain while subtly introducing themes of imagination, problem-solving, and values.

---

### Interactive Storytelling

Live storytelling sessions where kids listen, respond, imagine, and participate together.

---

## HOW ACTIVITIES WORK (Clarity Section)

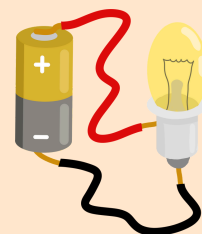

- Free Access Zones are available to all ticket holders
- Special LEGO Zone activities are recommended add-on experiences
- Kids can explore freely or choose guided activities based on interest
- Parents can accompany and assist younger children

The festival is designed to be flexible, not rushed, allowing families to plan their own pace.

---

## WHY ATTEND BEP-BOP-BOOP FEST

- Encourages hands-on learning beyond classrooms
- Reduces screen dependency through real-world engagement
- Builds confidence, curiosity, and problem-solving skills
- Offers meaningful family time
- Suitable for multiple age groups in one event

$$1+2=3$$

---

## TICKETS & ACCESS

- Single-day and 2-day festival passes available
  - Special STEM Zone experiences available as add-ons
  - Tickets can be booked online
  - Tickets will also be available at the venue
- 

## HOW TO PLAN YOUR DAY AT THE FEST

- Start with free exploration zones to let kids settle in and discover what excites them.
- Schedule paid activities during mid-day for focused, guided experiences.
- Take breaks at food stalls and photo zones to keep the day relaxed and enjoyable.
- End the day with evening performances for a shared family experience.
- On Day 2, arrive early if your child is participating in cosplay or storytelling.
